

**TO THE NOTICE BOARD!**

Up to speed with Union rights - It's not rocket science (for under 35 years old)

Is your pay slip difficult to understand? What does the collective agreement say about breaks and vacations? How does being a union member benefit me? Spend a weekend with other young adults from PAU. The course gives you information about worker's rights, contracts in your field as well as the benefits of being a union member. You will also get new ideas on how to influence your work life. The course is intended for PAU members under the age of 35.

Date of education: 4.–5.5.2024**Where: Tallink Spa and Conference Hotell, Tallin, Estonia****The last day to apply: 5.4.2024**

Note! Register for the course in PAU's electronic transaction service at easiointi.pau.fi.
